All in favor, motion passes.

**Booker Land Acquisition Update**

Leslie Duthie: At our last meeting we approved the Booker land acquisition application that Glenn submitted under the special application process. Glenn, do you know about purchase and sales?

Glenn Colburn: Yes, I did get a signature from Pat Booker and kept it simple saying that it was contingent upon approval at Town Meeting. Do we know if there will still be a meeting?

Madeline Goodrich: Yes, it is part of the Annual Town Meeting and it is going to be outside at Granite Valley on June 22.

Leslie Duthie: Jamie Farnum (CPC Clerk), can send out letters to the applicants letting them know when the meeting is and to attend to support their projects.

**Silver Street Chapel Update**

Leslie Duthie: I contacted Suzanne Kelly but have not heard back from her yet. I do expect to hear from her soon and will give an update when I do.

## **COVID-19 Utility Bill funding**

Leslie Duthie: The Wayfinders application for rental assistance to those who are affected by the pandemic will not be able to include help for utility bills. The money can only be used for housing. I wrote the warrant article for that one and we have a contract with Wayfinders stating that as long as the article passes at Town Meeting then they are set to go.

Leslie Duthie: Post Fall application in July for the deadline at the end of August. Due by August 28, 2020.

Next Meeting: August 4, 2020

Adjourn at 6pm

Respectfully Submitted by,

Jamie L. Messer  
CPC Clerk
